Plaintiffs,

v.

ACOUSTICTEC, A California Corporation,

Defendant.

JURISDICTION AND INTRADISTRICT ASSIGNMENT

I.

This action arises under and is brought pursuant to section 502 of the Employee Retirement Income Security Act, as amended (ERISA), 29 U.S.C. § 1132, and section 301 of the Labor Management Relations Act (LMRA), 29 U.S.C. § 185. The jurisdiction of this Court is founded on

PETITION TO CONFIRM ARBITRATION AWARD AND COMPLAINT FOR AUDIT, BREACH OF CONTRACT, DAMAGES, BREACH OF FIDUCIARY DUTY, AND INJUNCTION

28 U.S.C. § 1331. Venue properly lies in this district court because a substantial part of the events and omissions giving rise to these claims occurred in this district, including, but not limited to Defendant's agreement with Plaintiff, which requires that trust funds contributions are due and payable in the County of San Francisco.

PARTIES

II.

At all relevant times, Plaintiff Board of Trustees (hereinafter referred to as "Plaintiff Trust Funds") were Trustees of the Carpenters Health and Welfare Trust Fund for California; Carpenters Vacation-Holiday Trust Fund for Northern California; Carpenters Pension Trust Fund for Northern California; Carpenters Annuity Trust Fund for Northern California; and Carpenters Training Trust Fund for Northern California. At all times material herein, each of the above-named Trust Funds was, and now is, an employee benefit plan created by a written trust agreement subject to and pursuant to section 302 of the Labor Management Relations Act (29 U.S.C. § 186), and a multi-employer employee benefit plan within the meaning of sections 3, 4 and 502 of ERISA (29 U.S.C. §§ 1002, 1003 and 1132). Each of the above-named Trust Funds is administered by a Board of Trustees which may bring this action in the name of the Trust Funds pursuant to the express provisions of the Trust Agreements. All of the above named Trust Funds and their respective Board of Trustees together with the Union, shall hereinafter be designated collectively as "Plaintiffs".

III.

Plaintiff, Carpenters 46 Northern California Counties (hereinafter "Union"), a labor organization within the meaning of section 301 of the Labor Management Relations Act (29 U.S.C. § 185), is a voluntary unincorporated association, and a labor organization within the meaning of 29 U.S.C. § 152 (5), existing under and pursuant to the laws of the State of California, to which various local unions belong and in which said local unions participate for the purpose of providing standards of wages, hours and working conditions, and for the purpose of obtaining collective bargaining agreements on behalf of local union members.

IV.

At all times material herein, Acoustitec (hereinafter collectively referred to as "Defendant"), has been an employer within the meaning of section 3(5) and section 515 of ERISA (29 U.S.C. §§ 1002(5), 1145), and an employer in an industry affecting commerce within the meaning of section 301 of the LMRA (29 U.S.C. § 141 et seq.)

ALLEGATIONS APPLICABLE TO ALL CLAIMS FOR RELIEF

V.

At all relevant times, Defendant was signatory and bound to a written collective bargaining agreement with the Union entitled Carpenters Master Agreement (hereinafter "Master Agreement"). Defendant became subject to all the terms and conditions of the Master Agreement by virtue of signing a Memorandum of Agreement (hereinafter "Memorandum Agreement") with the Union, which incorporated by reference the Master Agreement. A true and correct copy of said Master Agreement is attached hereto as Exhibit "A" and a true and correct copy of the Memorandum Agreement is attached hereto as Exhibit "B", both of which are incorporated by reference herein.

VI.

Said Master Agreement by its terms incorporates the various Trust Agreements establishing each of the Plaintiff Trust Funds. By said Master Agreement, Defendant promised that it would contribute and pay to Plaintiffs the hourly amounts required by said Agreements for each hour paid for or worked by any of their employees who performed any work covered by said Agreements, and that they would be subject to and bound by all of the terms, provisions and conditions of the Trust Agreements as incorporated by the terms of the Master Agreement.

VII.

The above-mentioned Trust Agreements provide for prompt payment of all employer contributions to the various Trust Funds and provide for liquidated damages, not as a penalty but as a reasonable attempt to provide for payments to cover the damages incurred by the Trust Funds, in the event of a breach by the employer, where it would have been impracticable or extremely

1 difficult to ascertain the Trust Funds' losses at the time the Agreement was negotiated.

2 VIII.

3 Section 51 of the Master Agreement provides for the resolution of grievances between the
4 parties, and said section sets out a procedure to be followed for the resolution of grievances, the
5 final step of which is the submission of the grievance to an impartial arbitrator or a Joint
6 Adjustment Board, whose decision shall be final and binding upon the parties.

7 IX.

8 The Trust Agreements provide for the payment of interest on all delinquent contributions,
9 attorneys' fees, and other collection costs, and for the audit of the signatory employer or employers'
10 books and records in order for the Plaintiffs to ascertain whether all fringe benefit contributions
11 have been timely paid as required by the applicable labor agreements and law.

12 **FIRST CLAIM FOR RELIEF**
13 **(PETITION TO CONFIRM ARBITRATION AWARD)**

14 X.

15 Plaintiffs incorporate and reallege by reference all the allegations stated hereinabove.

16 XI.

17 A grievance arose between the parties concerning a dispute over the application or
18 interpretation of the Master Agreement and Trust Agreements (hereinafter collectively referred to
19 as "Collective Bargaining Agreement"). Pursuant to the terms and conditions of the Collective
20 Bargaining Agreement, a grievance was filed over this dispute, and the parties proceeded to follow
21 the steps outlined in the grievance procedure, ultimately submitting the grievance to an arbitrator
22 appointed pursuant to the Collective Bargaining Agreement.

23 XII.

24 A hearing on the grievance was conducted April 10, 2007, before Arbitrator Gerald R.
25 McKay. At the hearing, the parties were permitted to submit evidence, testimony and argument.
26 On April 11, 2007, Arbitrator Gerald R. Makay issued a Decision and Award ("the Award"), and
27 awarded Plaintiffs \$230,966.55 in fringe benefit contribution and liquidated damages, and \$300.00
28 for the cost of proceeding. A copy of the Award is attached hereto as Exhibit "C" and incorporated

1 herein by reference as though set forth at length.

2 XIII.

3 Subsequent to the issuance of the Award in this matter, Plaintiffs have made demands upon
4 the Defendant to comply fully with the Award, however, the Defendant has refused to comply with
5 the Award. Said Award is still outstanding, not having been paid or otherwise complied with by
6 Defendant.

7 XIV.

8 Plaintiffs have no adequate remedy at law other than the filing of this Petition and
9 Complaint, and have exhausted all of its available administrative remedies.

10 XV.

11 Plaintiffs have been required to secure the services of counsel for the prosecution and
12 enforcement of the Award issued by the Board of Adjustment. Because Defendant's refusal to
13 comply with the arbitration award is unjustified and in bad faith, Plaintiffs seek attorneys' fees
14 incurred to obtain compliance with the Award.

15 **SECOND CLAIM FOR RELIEF**
16 **(AUDIT)**

17 XVI.

18 Plaintiffs incorporate and reallege by reference all the allegations stated hereinabove.

19 XVII.

20 The Board of Trustees have, as one of their duties, the obligation to ensure that
21 contributions required to be made to said Trust Funds pursuant to the Master Agreement are fully
22 and correctly made. The purposes of the respective Trust Funds are to provide health and welfare,
23 vacation, pension and other benefits for carpenters on whose behalf contributions are made, which
24 benefits are supported by such contributions, and to ensure that employers who are signatories to
25 the Master Agreement complies with the terms of said agreements with respect to payments of said
26 contributions to the Trust Funds. The Trust Funds maintain their offices in the County of San
27 Francisco, and all such contributions are required to be made in the County of San Francisco.

XVIII.

By its terms, said Master Agreement binds Defendant to the Trust Agreements respectively establishing said Trust Funds, and Article IV, section 7, of the Trust Agreement creating the Welfare Fund, Article VI, section 6, of the Trust Agreement creating the Vacation-Holiday Fund, Article IV, section 6, of the Trust Agreement creating the Pension Fund, Article IV, section 6 of the Trust Agreement creating the Training Fund, and Article IV, section 6 of the Trust Agreement creating the Annuity Trust Fund, each provide that:

Upon request in writing from the Board, each Individual Employer will permit a certified public accountant selected by the Board to enter upon the premises of the Individual Employer during business hours, at a reasonable time or times, and to examine and copy books, records, papers or reports of the Individual Employer as necessary to determine whether the Individual Employer is making full and prompt payment of all sums required to be paid by him or it to the Fund. In addition, each Individual Employer will comply with all of any other county or to any other place.

XIX.

Plaintiffs are unable to determine whether Defendant has made prompt and correct payment of all Trust Fund contributions, and as a consequence, good cause appearing therefore, communications have been directed to Defendant by representatives of Plaintiffs demanding that Defendant submit to an audit pursuant to Collective Bargaining Agreement. Copies of demand letter(s) from Plaintiffs to Defendant dated April 27, 2007 and May 16, 2007, and are attached hereto as Exhibits "D" and "E", respectively, and are incorporated by reference herein.

XX.

Defendant has failed, refused or neglected to allow the audit as requested or to allow an inspection of their books, records, papers, or reports in accordance with the provisions of the Trust Agreements. As a result of Defendant's refusal to submit to the audit, Plaintiffs are unable to ascertain the amount of additional damages, if any, suffered by the Trust Funds. Plaintiffs have no adequate remedy at law, and the individual carpenters who are the beneficiaries of the respective Trust Funds, particularly the employees of Defendant, are damaged thereby and also have no adequate remedy at law.

XXI.

Plaintiffs have complied with all conditions on their part to be performed under the terms of the applicable written Agreements.

XXII.

Plaintiffs are entitled to reasonable attorneys' fees, liquidated damages, interest and other reasonable expenses incurred in connection with this matter due to Defendant's failure to allow the audit or refusal to pay all fringe benefit contributions due and owing pursuant to the terms of the Collective Bargaining Agreement and ERISA section 502(g)(2), 29 U.S.C. § 1132(g)(2).

THIRD CLAIM FOR RELIEF
(BREACH OF CONTRACT)

XXIII.

Plaintiffs incorporate and reallege by reference all the allegations stated hereinabove.

XXIV.

Pursuant to the written agreements establishing Plaintiffs Trust Funds, Defendant has failed, neglected or refused to allow Plaintiffs access to the records requested and needed to determine the exact amount of fringe benefit contributions owed to the Trust Funds.

XXV.

Plaintiffs have estimated that there is now due and owing and unpaid to Plaintiffs fringe benefits contributions and liquidated damages in an amount to be determine at trial.

XXVI.

Plaintiffs have complied with all conditions on their part to be performed under the terms of the applicable agreements.

XXVII.

Plaintiffs are entitled to reasonable attorneys' fees, interest, and other reasonable expenses incurred in connection with this matter due to Defendant' failure and refusal to pay all fringe benefit contributions due and owing pursuant to the terms of the applicable Collective Bargaining Agreement and ERISA section 502(g)(2) (29 U.S.C. § 1132(g)(2)).

FOURTH CLAIM FOR RELIEF
(ACTUAL DAMAGES FOR BREACH OF CONTRACT)

XXVIII.

Plaintiffs incorporate and reallege by reference all the allegations stated hereinabove.

XXIX.

Defendant has failed, neglected and refused to make timely fringe benefit contributions as required by the applicable Collective Bargaining Agreement, and has caused Plaintiffs actual damages in an amount to be proven at trial.

FIFTH CLAIM FOR RELIEF
(DAMAGES AND EQUITABLE RELIEF FOR BREACH OF FIDUCIARY DUTY)

XXX.

Plaintiffs incorporate and reallege by reference all the allegations stated hereinabove.

XXXI.

Defendant has failed, neglected or refused to allow a full and complete audit of its books and records by the Trust Funds as required by the applicable Agreements and the Award (see Exhibit C, paragraph 5).

XXXII.

Defendant's neglect or refusal pursuant to the terms of the above-mentioned Collective Bargaining Agreement constitutes a violation of ERISA section 515 (29 U.S.C. § 1145).

XXXIII.

Defendant, in agreeing to the terms and conditions of the aforementioned Trust Agreements, assumed a fiduciary duty to Plaintiffs, which required Defendant to submit timely and accurate reports of hours worked or amounts due, together with payments to Plaintiff's Trust Funds. Defendant exercised control over any contributions due, which are assets of Plaintiff's Trust Funds, and Defendant was a fiduciary as defined by ERISA section 3(21), 29 U.S.C. § 1002(21).

1 XXXV.

2 The actions of Defendant complained of herein constitute a violation of fiduciary duties as
3 defined by ERISA, 29 U.S.C. §§ 1001, et seq.

4 XXXVI.

5 Unless enjoined by this Court, Defendant will continue to fail, neglect, or refuse to submit
6 to an audit or to remit appropriate fringe benefit contributions to the Plaintiff's Trust Funds and
7 thereby cause Plaintiffs irreparable harm for which there exists no adequate remedy at law.

8 **SIXTH CLAIM FOR RELIEF**
9 **(INJUNCTION)**

10 XXXVII.

11 Plaintiffs incorporate and reallege by reference all the allegations stated hereinabove.

12 XXXVIII.

13 Unless enjoined by this Court, Defendant will continue to fail, neglect, or to submit to an
14 audit of books and records and thereby cause Plaintiffs irreparable harm for which there exists no
adequate remedy at law.

15 **WHEREFORE**, Plaintiffs pray judgment against Defendant as follows:

16 1. That this Court confirm the decision of the Board of Adjustment OR Arbitrator
17 (Exhibit C hereto) where Defendant was ordered to pay to Plaintiffs \$230,966.55 in fringe benefit
18 contribution and liquidated damages, and \$300 for the cost of proceedings, and ordered Defendant
19 to submit to an audit of its books and records, and that said Award becomes a Judgment of this
20 Court;

21 2. That Defendant be compelled to forthwith submit to a full audit by auditors selected
22 by the Plaintiff's Trust Funds at the premises of Defendant during business hours, at a reasonable
23 time or times, and to allow said auditors to examine and copy such books, records, papers, reports
24 of Defendant relevant to the enforcement of the collective bargaining agreements or the Trust
25 Agreements, including but not limited to the following:

26 Individual earning records (compensation); W-2 forms; 1096 and 1099
27 forms; reporting forms for all Trust Funds; State DE-3 tax reports; workers

28 quarterly payroll tax returns (form 941); check register and supporting

1 cash voucher; Form 1120 - 1040 or partnership tax returns; general ledger
2 - (portion relating to payroll audit);

3 3. That upon completion of the audit, Defendant be decreed to pay over to Plaintiffs
4 such sums as shall be ascertained to be due from Defendant and liquidated damages and interest on
5 said sums;

6 4. That Defendant be ordered to pay fringe benefit contributions in an amount to be
7 determine at trial, plus interest thereon;

8 5. That Defendant be ordered to pay actual damages according to proof;

9 6. That this Court issue an Order directing and permanently enjoining Defendant to
10 timely submit to Plaintiff Trust Funds, all reports and contributions due and owing by Defendant
11 plus interest, liquidated damages, attorneys' fees, and costs as provided in ERISA sections
12 502(a)(3) and (g)(2) (29 U.S.C. § 1132(a)(3), (g)(2));

13 7. That this Court issue an Order permanently enjoining Defendant for so long as it
14 remain obligated to contribute to Plaintiff Trust Funds, from failing, neglecting, or refusing to
15 timely submit required monthly contributions reports and payments as required by the terms of the
16 Collective Bargaining Agreements, Trust Agreements and ERISA sections 502(a)(3) and (g)(2),
17 (29 U.S.C. § 1132(a)(3), (g)(2));

18 8. That this Court issue an injunction compelling Defendant to forthwith cease its refusal
19 to submit to an audit of its books, records, papers and reports as required by the agreements to
20 which it is bound;

21 9. That Defendant be ordered to pay attorney's fees;

22 10. That Defendant be ordered to pay costs of suit herein; and

The Union has requested recognition as the Section 9 (a) representative of the employees covered by this Agreement and has demonstrated or offered to demonstrate through authorization cards that it has the support of the majority of the employees. The Employer and each individual employer expressly acknowledge that they and each of them have satisfied themselves that the Union and/or each of its constituent bodies represents a majority of employees employed to perform bargaining unit work and agrees that the Union and or each of its constituents is the collective bargaining representative of such employees. The Employer on behalf of itself and each of its members and each individual employer specifically agrees that it and they are establishing or have established a collective bargaining relationship by this Agreement within the meaning of Section 9 (a) of the National Labor Relations Act of 1947, as amended. The Union is recognized as the sole and exclusive bargaining agent for itself, the NCCRC and all of its affiliated Local Unions.

Section 8

Independent Agreement

In the event the Union establishes special conditions for work covered by the Agreement, those special conditions shall be made available to the Employer or individual employers who wish to per-

form the designated work in the same locality as provided for in that immediate Area Agreement.

The Union will promptly notify the Employer in writing of any amendment, modification, exception or addendum to this Agreement which might be negotiated in any area covered by this Agreement between the Union, any individual employer or group of individual employers.

Section 9

Liability of the Parties

This Agreement is made for and on behalf of, and shall be binding upon all persons, firms and corporations, who at the time of execution of this Agreement are members of Employer, or subsequently become members of Employer as defined in Section 6. This Agreement is binding upon each individual employer regardless of whether or not the individual employer changes the name or style or address of the business. Each individual employer, corporate or other legal entity, or its successor as per Section 6, shall be liable, subject to, and bound by this Agreement. It is agreed that the wages, hours, and working conditions of this Agreement are the wages, hours, and working conditions in the area covered by this Agreement.

Except as may be provided in Section 2 of this Agreement, each employer individually signatory hereto waives any right that he or it may have to terminate, abrogate, repudiate, or cancel this Agreement during its term, during the term of any future modifications, changes, amendments, supplements, extensions, or renewals of or to said Master Agreement, or to file any Petition before the National Labor Relations Board seeking to accomplish such termination, abrogation, cancellation or repudiation.

Section 10

General Saving Clause

It is not the intent of either party hereto to violate any laws, rulings, or regulations of any governmental authority or agency having jurisdiction of the subject matter or of this Agreement, and the parties hereto agree that in the event any provision of this Agreement is finally held or determined to be illegal or void as being in contravention of any such laws, rulings or regulations, nevertheless, the remainder of this Agreement shall remain in full force and effect unless the parts so found to be void are wholly inseparable from the remaining portion of this Agreement. The parties agree that if and when any provisions of this Agreement are held or determined to be illegal or void they will then promptly enter into lawful negotiations concerning the substance thereof.

It is the intent of the parties to this Agreement that each and every, all and singular, of the provisions of this Agreement be fully in accordance with Federal and State Law. Its interpretation and the interpretation of each of the provisions of this Agreement are therefore intended to apply no broader than that permitted by law.

Section 11

No Discrimination

It is mutually agreed that the individual employer and the Union shall fully comply with all federal and state laws, including but not

limited to all of the provisions of Title 7 of the Civil Rights Act of 1964, as amended; the California Fair Employment and Housing Act, as amended; and the Americans with Disabilities Act of 1991, as amended to the end that no person shall, on the grounds of age, sex, race, color, national origin, sexual orientation, gender, ancestry, disability as defined by the Americans with Disabilities Act of 1991 and the California Fair Employment and Housing Act, or Vietnam Veteran status, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination by not having full access to the contents of this Agreement.

It is further agreed that no person or applicant for employment shall be discriminated against or shall have his/her employment relationship affected by reason of his/her age except as provided in the Trust Agreement, rules and regulations, and statements of procedure governing the Carpenters Training Committee for Northern California.

Nothing in this section and no grievance filed pursuant to this section shall be deemed a waiver of any individual worker's statutory rights provided by federal and/or state laws.

Throughout this Agreement, wherever the masculine gender appears, the feminine form applies equally and may be substituted therefore.

Section 12 Union Security

(1) Every person performing work covered by this Agreement who is a member of the Union and in the employment of an individual employer on work covered by this Agreement on the effective date of this Section 12 shall, as a condition of employment or continued employment, remain a member in good standing of the Union or the appropriate Local Union of the Union. Every other person covered by this Agreement and employed to perform work covered by this Agreement shall be required, as a condition of employment, to apply for and become a member of and to maintain membership in good standing in the Union or the appropriate Local Union of the Union which has territorial jurisdiction of the area in which such person is performing work on the expiration of eight (8) days of employment, continuous or cumulative, on such work following the beginning of such employment or the effective date of this Section 12, whichever is later. Membership in any Local Union shall be available to any such person on the same terms and conditions generally applicable to other members. If Federal Law is hereafter amended to permit a lesser requirement for union membership or union membership as a condition of employment than provided in this Section 12, the Employer and the Union will promptly enter into negotiations with regard to such subject.

(2) The individual employer shall not be required to discharge any employee pursuant to this Section 12 until a written notice from the appropriate Local Union of the Union of such employee's non-compliance with this Section 12, stating all pertinent facts showing such non-compliance, shall have been served upon such individual employer and two (2) working days shall have been allowed for compliance therewith.

(3) No person (owner, partner, or officer of any individual employer) shall be permitted to perform work covered by this Agreement unless such person is covered by all the provisions of this Agreement including the payment of all Trust Fund contributions; pro-

vided, however, that not more than one (1) owner may be permitted to work with the tools under the same conditions with the exception of Section 12 (1). This section shall not be interpreted so as to diminish work opportunity for employees covered by this Agreement.

Membership in good standing shall be defined as the tendering of uniform initiation fees and dues, including work fee.

Section 13

Union Representative

Union representatives shall be permitted at all times upon any place or location where any work covered by this Agreement is being, has been or will be performed.

Where there are visitation restrictions imposed at the jobsite by entities other than the individual employer, the individual employer will use his best efforts to provide access to the site by the union representative.

Section 14

Stewards

(1) A steward shall be a working journeyman employee, appointed by the Local Union or the NCCRC of the Union, who shall, in addition to his/her work as a journeyman be permitted to perform, during working hours, such of his/her Union duties as cannot be performed at other times. The Union agrees that such duties shall be performed as expeditiously as possible and the Employer agrees that stewards shall be allowed a reasonable amount of time for the performance of such duties. The Field Representative shall notify immediately the individual employer of the appointment of each steward to be confirmed by letter.

(2) No steward shall be laid off or terminated without concurrence of the appropriate Field Representative except for:

1. Proven dishonesty.
2. Excessive drinking.
3. Chronic failure to report for work.
4. Completion of the carpentry work on the job.

If a steward is discharged as permitted herein, written notice shall be given to the appropriate Local Union or the NCCRC defining the reasons for discharge.

(3) Application or violation of this Section shall be subject to Section 51 "Grievance Procedure."

Section 15

No Strike

Except as provided in this Section, there shall be no strike, lock-out or work stoppage by any party hereto or any individual employer. The Union may withhold workers or picket the job of any individual employer who fails to pay wages or is in violation of the Piece Rate Prohibition or Trust Fund Contribution provisions of this Agreement. The Union may withhold workers of any subcontractor who fails to pay wages or is in violation of the Piece Rate Prohibition or Trust Fund Contribution provisions of this Agreement. The Union, with five (5) days written notice to the individual employer may withhold workers or picket the job of any individual employ-

er for violation of the Hiring Hall, Union Security or Subsistence provisions of this Agreement only if no dispute exists between the Employer and the Union concerning such alleged violation.

Section 16

Jurisdictional Disputes

There shall be no cessation or interference in any way with any work of the Employer or any individual employer by reason of Jurisdictional Disputes between the Union and any other union affiliated with the AFL-CIO or the International Brotherhood of Teamsters, Chauffeurs, Warehousemen and Helpers of America with respect to jurisdiction over any of the work covered by this Agreement. Such disputes will be settled by the Unions themselves, or submitted to the International Presidents of the Unions involved in the dispute, for determination. Until such determination is made and confirmed by the disputing Unions, the work shall proceed as originally assigned by the individual employer. Craft jurisdiction is neither determined nor awarded by classifications or coverage descriptions appearing in this Agreement. The individual employer shall be bound by an agreement between the General Presidents.

Section 17

Picket Lines

The parties to this Agreement recognize that it is vital to the Unionized segment of the Construction Industry that the work opportunities of the employee and the individual employer signatory to this Agreement proceed without interruption because of disputes involving employers and/or unions not signatory to this Agreement.

The Union will not discipline, the individual employer will not permanently replace and the parties both agree not to threaten nor cause to be denied the rights of individual workers to respect primary picket lines established at or on the jobsites of the individual employer.

Section 18

Efficiency

It is agreed that the carpenters, through their field representatives, use their efforts to encourage greater efficiency on the job and that they refrain from the solicitation of premium payments for employees represented by the Union. The employees and the Union shall use their efforts to encourage greater efficiency compatible with sound construction practices on the job and shall refrain from the solicitation of premium payments for employees.

Except as provided in Section 50 (Work Preservation, Contracting and Subcontracting) hereof, neither party to this Agreement shall by working rules or any other means or device, impose or direct any work limitations affecting quantity restrictions, quotas or units of production, either maximum or minimum, relating to work covered by this Agreement.

No rules, customs or practices shall be permitted that limit production or increase the time required to do any work. There shall be no limitation or restriction of the use of machinery, tools or other labor-saving devices supplied by the individual employer.

Section 19

Safety

The Union shall cooperate (1) with the individual employer and with each other in carrying out all of the individual employer's safety measures and practices for accident prevention and (2) employees shall perform their duties in each operation in such a manner as to promote efficient operation of each particular duty and of any job as a whole. The Union and the Employer recognize that drug and alcohol abuse creates an unsafe and inefficient work place. The individual employer must post the name and address of their doctor and the compensation insurance carrier on the jobsite.

All Federal and State safety rules, regulations, orders and decisions shall be binding upon the individual employers and their employees and shall be applied to all work covered by this Agreement. No worker shall be required to work under unsafe conditions.

The individual employer shall be solely responsible for implementation and maintenance of such safety laws, rules, regulations, standards, orders and decisions. Neither the Union nor any Local Union or the NCCRC is responsible for such implementation or maintenance.

All safety equipment required by State or Federal regulations, including hard hats, shall be provided and maintained by the individual employer without cost to his employees. Upon termination the employee shall return such equipment to the individual employer.

Section 20

Pre-Job Conferences

(1) The individual employer shall at his option or at the option of the Union or the NCCRC call for a pre-job conference. If the Union or the NCCRC desires, it shall be entitled to a pre-job conference solely with the individual employer. The individual employer may include his subcontractors at such conference.

(2) The individual employer shall advise the Union or the NCCRC in writing, at all times of the names (including trade names and names of individual proprietors or partners who signed the subcontract) and addresses of all subcontractors or his subcontractors employed or to be employed or contracted with for services to be performed under this Agreement. Such written notice shall be made at the pre-job conference or ten (10) days prior to the commencement of work by any such subcontractor.

(3) The individual employer shall, upon request of the Union or the NCCRC, submit letters of past or present work assignment for purposes of clarifying questions of Union jurisdiction.

Section 21

Audit

Each individual employer upon request of the Union, the Employer, or any Trust Fund specified in this Agreement, shall permit the Trust Fund Auditors to review any and all records relevant to the enforcement of the provisions of this Agreement and to enter upon the premises of such individual employer during business hours at reasonable time or times to examine and copy such books, records, papers or reports of such individual employer as may be necessary to determine whether or not the individual employer is making full payment of all sums required by this Agreement. The

decision as to the relevancy of records shall be made by the Joint Delinquency Subcommittee and their decision shall be binding on all parties. Such review shall be permitted not less than ten (10) working days after demand. If the individual employer cancels an audit appointment without appropriate two (2) hours' notice to the auditor, the cost of such lost time by the auditor shall be borne by the individual employer.

The cost of audit shall be borne by the individual employer if a shortage disclosed by the audit exceeds \$4,500.00 and is not the result of clerical error.

Trustees of the Trust Funds specified in this Agreement are authorized to determine the appropriate formula to be applied to compute appropriate Trust Fund contributions. The individual employer shall be required to comply with such Trust Fund formula and make payments to the Trust Funds immediately upon being advised of the amount due.

Any legal action to compel audit entry shall be filed in the Superior Court of the City and County of San Francisco, State of California, or the United States District Court for the Northern District of California.

Any individual employer who refuses audit entry shall pay all the legal fees and costs necessary for compliance of audit entry.

The Union has the right to withhold workers from any individual employer who refuses to make available relevant records necessary for the completion of the audit.

Information derived from the audit shall be confidential and used solely for the enforcement of this Agreement.

Section 22

Work Day

The work day shall be eight (8) hours worked between the hours of 8:00 A.M. and 4:30 P.M.

Upon submission of prior written notice by the individual employer to the appropriate District office of the NCCRC, the regular work day may be changed to eight (8) consecutive hours (exclusive of the lunch period) between 7:00 A.M. and 5:00 P.M. The regular work day may be changed to eight (8) consecutive hours (exclusive of the lunch period) between the hours of 6:00 A.M. and 3:00 P.M. by written approval of the appropriate District office of the NCCRC. Once the regular work day is changed, it shall be for no less than five (5) consecutive regular work days and may be changed only by written notification from the individual employer to the appropriate District office of the NCCRC.

The rate of pay for all hours worked other than the regular established work day shall be governed by Section 26, "Overtime."

Any employee who works more than five (5) hours without a meal period shall be paid for all work in excess of said five (5) hour period at the applicable overtime rate until a meal period is provided. (Such pay shall be reckoned by the hour and half-hour.)

Effective January 1, 2001, every individual employer shall authorize and permit all employees to take rest periods, which insofar as practicable, shall be in the middle of each work period. Nothing in this provision shall prevent an individual employer from staggering rest periods to avoid interruption in the flow of work and to maintain continuous operations, or from scheduling rest periods

to coincide with breaks in the flow of work that occur in the course of the work day. The authorized rest period time shall be based on the total hours worked daily at the rate of ten (10) minutes net rest time for every four (4) hours worked, or major fraction thereof. Rest periods shall take place at individual employer designated areas, which may include or be limited to the employee's immediate work area.

Rest periods need not be authorized in limited circumstances when the disruption of continuous operations would jeopardize the product or process of the work. However, the individual employer shall make-up the missed rest period within the same work day or compensate the employee for the missed ten (10) minutes of rest time at his or her regular rate of pay within the same pay period.

A rest period need not be authorized for employees whose total daily work time is less than three and one-half (3 1/2) hours. Authorized rest period time shall be counted as hours worked for which there shall be no deduction from wages.

If an individual employer fails to provide an employee a rest period in accordance with the applicable provisions of this Section, the individual employer shall pay the employee one (1) hour of pay at the employee's regular rate of compensation for each work day that the rest period was not provided.

All pay shall be reckoned by the day and half-day as follows: Employees who start work at the regular work day or shift shall receive four (4) hours pay or pay for actual hours worked, whichever is greater, regardless of the reason for the inability to complete the regular work day or shift. If the employee voluntarily quits, the employee shall receive pay only for actual hours worked.

Any dispute regarding the provisions of this Section shall be subject to Section 51 (Grievance Procedure) of this Agreement.

Section 23

Shift Work

Shift work can only be established upon prior notice from the individual employer to the Union and shall be performed as follows:

Except as provided below, where multiple shifts are worked, if the individual employer elects to work the day shift between the hours of 6:00 A.M. and 5:30 P.M., that shift shall work eight (8) hours and for such work they shall be paid the regular straight time rate for eight (8) hours; the second shift shall work seven and one-half (7-1/2) hours, and for such work they shall be paid the regular straight time rate for eight (8) hours; if a third shift is worked, they shall work seven (7) hours and for such work they shall be paid eight (8) hours regular straight time pay. No multiple shift shall be established or started for less than three (3) consecutive work days.

On tenant improvement or renovation projects in occupied buildings with a total contract value of five (5) million dollars or less, the individual employer may perform multiple shift operations on the basis of eight (8) hours pay for eight (8) hours work on all shifts at the regular straight-time rate.

Overtime rates shall be paid for all hours worked on the second or third shift if less than three (3) consecutive days are worked. The provisions of this Section 23 with regard to rates of pay for shift work shall apply solely to the portion of the job which requires shift operations.

When it is a condition of securing the work, a special single shift may be established that will be for no less than three (3) consecutive days, for off hours between Monday and Friday, and will allow for eight (8) hours pay for eight (8) hours work. Work in excess of eight (8) hours per day shall be subject to the overtime provisions of this Agreement.

All work in excess of eight (8) hours on Saturday and all work on Sundays and holidays shall be double time.

Payments or contributions to each of the Trust Funds provided for in this Agreement shall be based on hours worked or paid for, which include contributions for eight (8) hours per shift. No payment or contribution shall be computed at the rate of time and one-half or double the required rate of payments or contributions per hour, nor shall any such payments or contributions be considered part of the hourly wage rate for the purpose of computing overtime, either under this Agreement, the Fair Labor Standards Act, the Walsh-Healey Act or any other law.

On shift work (a) workers working a shift who come off work on Saturday morning at 8:00 A.M., are to be considered working Friday; (b) workers working a shift who come off work on Sunday morning at 8:00 A.M., are to be considered working Saturday; and (c) workers working a shift who come off work on Monday morning at 8:00 A.M., are to be considered working Sunday.

All regularly scheduled shift work performed on Saturday, Sunday and holidays, shall be in accordance with the overtime rates herein specified. All such work shall be performed under terms and conditions of this Section 23 as to hours worked and rate of pay.

Section 24

Work Week

The regular work week shall consist of forty (40) hours of work Monday through Friday. In the event that work cannot be performed Monday through Friday because of inclement weather or major mechanical breakdown, employees may voluntarily make up such day on Saturday and shall be paid at the applicable straight time rates. As a courtesy, the individual employer shall advise the appropriate District office of the NCCRC whenever it intends to implement the Saturday make-up day. (The NCCRC district office phone numbers are as follows: Northern (916) 498-1002, Southern (408) 445-3000, and Central (510) 568-4788.)

On Residential projects as described in Appendix C, "Residential Addendum" the work week shall remain as contained therein.

Section 25

Holidays

The following are nationally recognized holidays covered by this Agreement: New Year's Day, Martin Luther King Day, Presidents' Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, the Friday following Thanksgiving Day, and Christmas Day. If any of the above holidays fall on Sunday, the Monday following shall be observed as the holiday.

The parties have agreed that the following four (4) days of each year will be selected by the Union as designated off/holidays:

2003: Friday, February 14th; Friday, May 23rd; Friday, August 29th; Friday, December 26th.

004: Friday, January 2nd; Friday, May 28th; Friday, September 1st; Friday, December 24th.

005: Friday, February 18th; Friday May 27th; Friday July 1st; Friday, September 2nd.

006: Friday, February 17th; Friday May 26th; Monday, July 3rd; Friday, September 1st.

007: Friday, May 25th; Friday, August, 31st; Monday, December 4th; Monday, December 31st.

008: Friday, February 15th; Friday, May 23rd; Friday, August 9th; Friday, December 26th.

The four designated off holidays shall be governed by Section 26 Overtime).

Section 26

Overtime

A. On all building construction, the first two (2) hours prior to the start of the regular or approved day or the first four (4) hours after the end of the approved or regular work day, not to exceed a total of four (4) hours in any one (1) work day shall be paid at time and one-half.

Time and one-half shall be paid for the first eight (8) hours worked on Saturdays.

Time and one-half shall be paid for the first eight (8) hours worked on the four designated off/collectively bargained holidays.

Double time shall be paid on all other holidays referenced in Section 25 (Holidays).

All other time shall be paid at double the straight-time rate.

B. On all heavy, highway and engineering construction, including but not limited to the construction, improvement, modification, and demolition of all or any part of streets, highways, bridges, viaducts, railroads, tunnels, airports, water supply, irrigation, flood control and drainage systems, sewers and sanitation projects, dams, power houses, refineries, aqueducts, canals, river and harbor projects, wharves, docks, breakwaters, jetties, quarrying of breakwater or riprap stone, or operations incidental to such heavy construction work; all overtime worked, other than on Sundays and nationally recognized holidays covered by this Agreement shall be at time and one-half the regular straight time rate. All overtime worked on Sundays and nationally recognized holidays covered by this Agreement shall be at double the regular straight time rate. The first eight (8) hours worked on the four (4) designated off/collectively bargained holidays shall be at time and one-half the regular straight time rate.

Section 27

Parking

In the event free parking facilities are not available within 1320 feet (measured by the most direct route on a dedicated vehicular public thoroughfare) of a jobsite, the individual employer will provide such facilities and the individual employer shall have the right to designate parking areas to be used. Where, because of congested parking conditions, it is necessary to use public facilities, the individual employer shall reimburse the employee for the cost of such parking upon being presented with a receipt or voucher certi-

fyng to the cost thereof, such reimbursement to be made on a weekly basis or at the conclusion of the project, whichever occurs earlier. Designated parking area shall be drained and hard surface.

Section 28

Tools

Carpenters and apprentices shall furnish their own tools, but shall not furnish, rent or lease horses, ladders, mitre boxes, electric drills, automotive equipment to be used for the purpose of hauling or delivering individual employer's materials or equipment, or any kind of power operated machines or saws. Each employee shall arrive on the job with tools in proper condition. To implement this section, the individual carpenter shall provide a toolbox with a lock. If necessary the employee shall be allowed a reasonable amount of time during the work week to sharpen tools on the individual employer's time.

The individual employer shall provide a reasonably secure place where his employees may keep their tools. Where ten (10) or more carpenters are employed on any one (1) job or project the individual employer shall provide a separate tool house, or a separate compartment of a tool house under lock and key, for the exclusive use of carpenters. Failure on the part of the individual employer to comply with the provisions hereof shall be referred to the Joint Adjustment Board. If any individual employee's full kit of working tools is lost by reason of fire or theft while in the individual employer's care, the individual employer shall reimburse the employee for such loss up to a maximum of \$500.00. Within two (2) working days from the date of claim for loss of tools as provided herein, the individual employer shall acknowledge liability therefore or reject the claim.

Section 29

Pickup Time

A carpenter shall be entitled to pickup time, which shall not be less than five (5) or more than fifteen (15) minutes at the end of each work day, the particular amount of such pickup time depending upon accessibility to the area to which the employee is assigned. The amount of pickup time shall be determined by mutual agreement at a jobsite conference between representatives of the individual employer and the Union.

Section 30

Show Up Time, Termination Pay and Discharge

Other than on the first (1st) day of dispatch, in which case two (2) hours shall apply, workers who report for work, for whom no employment is provided, shall be entitled to four (4) hours' pay, except where bad weather conditions beyond the control of the individual employer prevents employment.

Payments of contributions to each of the Trust Funds provided for in this Agreement shall be made with respect to payments required by this Section 30.

Except as hereinafter provided, carpenters who start work, but are discharged between the hours of 8:00 A.M. and 12:00 noon, shall receive four (4) hours' pay; carpenters starting work at 8:00 A.M. who are discharged between the hours of 12:00 noon and 4:30 P.M. shall receive pay only for hours worked.

Carpenters discharged on the first (1st) day of employment for inefficiency, insubordination or intoxication, shall receive pay only for hours worked. Carpenters who voluntarily quit shall receive pay only for hours worked.

DISCHARGED EMPLOYEE. Employees receiving notice of termination for any reason shall be allowed a reasonable time (not less than fifteen (15) minutes) before the end of the regular work day to assemble their tools in addition to the normal pickup time prevailing on the job.

After forty (40) hours of employment, the individual employer may discharge any employee for just cause only. Just cause is subject to Section 51, the grievance and arbitration provision of this Agreement. The individual employer during the first forty (40) hours of employment may reject or discharge any employee for any reason.

Discharge for cause shall be in writing to the employee.

Section 31

Payment of Wages

An employee who works the full designated work week shall receive on the last day of that work week pay for not less than the number of hours worked on the Monday of that same work week.

Each individual employer shall provide with each payroll check an itemized check stub showing separately the date of issuance, each contribution and deduction made from the payroll period covered by the check or a separate statement showing the name of the employee, the name and the individual employer's contractor's license number and/or address and the employee's social security number. There shall be no cash payment of any nature or kind whatsoever. Payment by cash or second or multiple checks or combination thereof and the payment of excessive premium rates, excessive travel time or bonuses shall be prima facie evidence of an attempt to violate the provisions of this Section 31.

Should an individual employer compensate an employee with a check for which payment is refused by the individual employer's bank because of insufficient funds, or should an individual employer fail to pay his employees on the regular, established pay day for his job, the obligation of the individual employer to the individual employee shall continue at the employee's regular straight time rate for a period not to exceed forty (40) hours, notwithstanding the above, unless the refusal of payment by the bank is due to the bank's error or omission or to circumstances which are beyond the control of the individual employer. Any question concerning responsibility of the individual employer on whether the omission is beyond his control shall be subject to the grievance procedure of this Agreement. Nothing herein shall, however, prevent the individual employer from changing his payroll date upon five (5) days' notice to the appropriate Local Union of the Union that the employee's pay date is being changed.

If terminated by the individual employer for any reason the employee shall be paid immediately in full. His pay status shall continue for each calendar day until pay is received; provided, however, that not more than eight (8) hours pay shall be charged for any calendar day with a maximum of five (5) days.

Section 32**Prohibition of Piece Work**

No person shall be employed in work covered by this Agreement at piece rates or under any system of bonus pay. Payments by cash or second or multiple checks or combination thereof and/or the payment of excessive travel time, bonuses or other payments as "Travel Pay" or "Subsistence," where not required or permitted by this Agreement, shall be primo facie evidence of a violation of this Agreement.

If at the time of an audit, piece work or bonus payments are discovered, those amounts will be subject to the conversion formula as set forth in Section 21 (Audit). The foregoing shall not apply to an annual bonus paid to supervisors.

Section 33**Nonunion Fabricated Materials**

To the extent permitted by law, the individual employer will not require Carpenters to handle nonunion fabricated materials.

Section 34**Injury**

Employees who are, as a result of industrial injury, unable to complete a full day's work, shall nevertheless be paid for the full day on which such injury occurred; provided the attending physician has certified to the employee's inability to complete his/her regular assigned work on that day of such injury.

An industrial injury shall not be cause for discharge and an applicant for employment shall not be rejected because of prior industrial injury, provided that any such prior industrial injury has not caused the applicant to be incapable of satisfactorily performing the duties and functions required by the job to which he/she is assigned or would be assigned.

Section 35**Document Signing**

No employee or applicant for employment will be required as a condition of employment or continued employment to sign any document not required by law.

Section 36**Subcontractor Records**

On residential construction, excluding alteration and repair, the individual employer shall keep a record of all hours worked by persons performing work covered by this Agreement for each subcontractor on each separate job or project.

It is recognized and acknowledged that with respect to certain subcontracted functions such as installation of stairways, formica tops, and marlite, it would be difficult and impractical to record the precise hours worked at such function. On such work the individual employer shall make an estimate of the hours worked by the installing subcontractor. These records shall be submitted monthly to the Trust Funds specified in this Agreement.

Section 37

Bonding

The Union may require of any individual employer who is delinquent in Trust Fund contributions and/or whose payroll checks have been returned for insufficient funds ("bounced"), that such individual employer be required to provide a bond not less than \$5,000.00 or more than \$75,000.00 at the option of the Union or Trust Fund to insure payment of his payroll and/or Trust Fund contributions. An acceptable letter from responsible party or joint checks may be substituted for bond requirement. It shall not be a violation of this Agreement for the Union to withdraw carpenters from the job(s) of such individual employer who may upon demand and notice, fail or refuse to present such bond to the Carpenter Funds Administrative Office, 265 Hegenberger Road, Suite 100, Oakland, California 94621-1480. In the event the defaulting individual employer is a subcontractor of a prime contractor signatory hereto, the latter will be notified and given opportunity to post bond as herein provided prior to the withdrawal of carpenters from the job(s); provided, however, the bonding company is approved by the Carpenter Funds Administrative Office for Northern California, Inc.

Section 38

Appendices

The following appendices attached to this Carpenters Master Agreement are incorporated herein and shall be part of this Agreement as though fully set forth herein: Subsistence (Appendix A), Millwrights (Appendix B), Residential (Appendix C), Insulators (Appendix D), Millmen (Appendix E), Scaffold Erection (Appendix F) and Bridge Structure and Highway Related (Appendix G).

Section 39

A. The Union and the Employer agree that when employees are working in a supervisory position above the rank of foreman or general foreman (where it appears in this Agreement), the individual employer may make payments with respect to his/her work into the Carpenters Health and Welfare Trust Fund for California and Carpenters Pension Trust Fund for Northern California on the basis of 145 hours per month in accordance with the schedules set forth in the Master Agreement, regardless of hours worked by any such employee in a month; provided, however, the individual employer having made one (1) payment on an employee shall continue to make such payments so long as the employee is in his employ.

B. The Union and the Employer agree that when an employee is working in a supervisory position above the rank of foreman, the individual employer may make payments with respect to his/her work into the Annuity Plans established by this Agreement on the basis of a minimum of 145 hours, or on the basis of a greater number of hours but not less than 145 hours per month, in accordance with the schedules set forth in the Agreement, regardless of hours worked by any such employee in the month; provided, however, the individual employer having made one (1) payment on any employee shall continue to make such payments so long as the employee is in his employ.

C. The Union and the Employer agree that the individual employers covered by this Master Agreement may cover owners or partners in the Carpenters Trust Funds (as in Section 46 A. & B.) by paying contributions with respect to the work of such an individual into these funds monthly on the basis of 145 hours per month, in accordance with the hourly contribution rates set forth in this Master Agreement, regardless of the number of hours worked by any such individual in a month, provided that such individual is performing work within the 46 Northern California Counties area and that, if not an owner or partner would be working as a journeyman carpenter under the terms of this Master Agreement and provided further that the individual employer, having made one (1) payment with respect to the work of such an individual, shall continue to make such payments monthly so long as the individual continues to perform work for the individual employer within the 46 Northern California Counties area in the capacity of an owner or partner. In order to provide for benefits to employees without disruption

luring periods of contract negotiations and to assure an orderly means of collecting Trust Fund contributions during such periods, each signatory employer agrees that he or it shall be obligated to contribute to each and every Trust Fund referred to in this Agreement for any period following their termination date of this Agreement unless and until a lawful impasse occurs or until a successor Agreement is negotiated. Each signatory employer further agrees that any or all said Trust Funds may enforce this obligation by action to collect such delinquent contributions filed in any court of competent jurisdiction.

Section 49

Hiring

1. The NCCRC shall establish and maintain open and nondiscriminatory employment lists for the use of workers desiring employment on work covered by this Agreement and such workers shall be entitled to use such lists.

2. The individual employer shall first call upon the appropriate Local Union of the NCCRC having work and area jurisdiction for such workers as he or it may from time to time need, and such Local Union shall furnish the individual employer the required number of qualified and competent workers and skilled mechanics of the classifications needed by the individual employer in accordance with the provisions of this Section 49.

3. It shall be the responsibility of the individual employer when ordering workers, to give the appropriate Local Union all pertinent information regarding the workers' employment.

4. The Local Union will furnish in accordance with the request of the individual employer such workers of the classifications needed from among those entered on said lists to the individual employer by use of written referral in the following order of preference and the selection of workers for referral to jobs shall be on a nondiscriminatory basis:

(a) Workers specifically requested by name who have been laid off or terminated as journeymen carpenters in the geographic area of the Local Union or the NCCRC, as the case may be, within three (3) years before such request by a requesting individual employer or a joint venture of which one or more members is a former employer now desiring to re-employ the same workers, provided they are available for employment. This provision shall also apply to individual employers wishing to rehire employees of a joint venture of which the individual employer was a member.

There shall be no restriction on the mobility of workers employed by individual employers in the 46 Northern California Counties.

(b) Workers who within the five (5) years immediately preceding the individual employer's order for workers, have performed work of the type covered by this Agreement within the geographic area of the Agreement, provided such workers are available for employment.

stop the running of the ten (10) day period. The costs of the arbitration should be borne equally by the Employer and the Union regardless of which Local Union, NCCRC or individual employer is involved.

16. Any person dispatched in accordance with this Section by accepting such dispatch shall be deemed to have assigned to the Union his/her rights to collect unpaid wages or Trust Fund contributions.

17. The procedural rules for the operation of the NCCRC Hiring Hall shall be those Uniform Hiring Hall rules as established, amended or modified from time to time by the NCCRC pursuant to its Bylaws.

Section 50

Work Preservation, Contracting and Subcontracting

1. The purpose of this Section 50 is to preserve and protect the work opportunities that will be available to employees covered by this Agreement at the jobsite or job yard.

2. The terms and conditions of this Agreement, insofar as it affects the Employer and the individual employer, shall apply equally to any subcontractor of any tier under the control of, or working under oral or written contract with such individual employer on any work covered by this Agreement to be performed at the jobsite or job yard, and said subcontractor with respect to such work shall be considered as an individual employer covered by this Agreement.

3. If an individual employer shall subcontract work herein defined, the work will be subcontracted to a subcontractor signatory to the appropriate Agreement with the Union. Such subcontract shall state that such subcontractor is or agrees to become signatory to an appropriate Agreement with the Union and will comply with all the terms and provisions of said Agreement including the payments of wages, Trust Fund contributions and fringe benefit payments. A copy of the subcontract and signature shall be furnished to the Union upon request.

4. The term "subcontractor" means any person, corporation or other entity, other than an employee covered by this Agreement, who agrees, orally or in writing, to perform for, or on behalf of the individual employer, any part or portion of the work covered by this Agreement. The subcontractor shall be properly licensed as required by the California State Contractors License Law.

5. The individual employer will give written notice to the NCCRC and/or Millwrights Local 102, (see Appendix B, Section 15) as the case may be, of any subcontract involving the performance of work covered by this Agreement within five (5) days of entering such subcontract and/or prior to commencement of work by the subcontractor, unless such notice is prevented by emergency conditions, and shall specify the name and address of the subcontractor.

5a. If thereafter the subcontractor becomes delinquent in the payment of any wages, Trust Fund contributions, or fringe benefit payments, then the NCCRC, Local Union or the Trust Fund office shall give prompt notice of the delinquency, confirmed in writing, to the individual employer and to the subcontractor. The notice shall specify the name and amounts, if known, of the delinquency.

5b. Said notification by the NCCRC, Local Union or the Trust Fund office shall be provided within twenty (20) days of publication of the Delinquency list provided by the Trust Funds or if in the case of failure to pay wages five (5) days from the applicable pay day. If such notice is given, the individual employer shall pay and satisfy only the amount of any such delinquency by such subcontractor occurring within ninety (90) days prior to the receipt of said notice from the Union, and said individual employer may withhold the amount claimed to be delinquent out of the sums due and owing by the individual employer to such subcontractor.

5c. Notwithstanding the provision set forth above, if the subcontractor is found in violation of the hiring provisions of this Agreement, pursuant to the provision of Section 51 (Grievance Procedure), and the Union is unable to collect from the subcontractor the damages determined to be owing for such violation, the individual employer shall then be liable for the payment of such damages. The total of this liability, as it would apply to the individual employer, shall be no more than five (5) days' violation or the total of the subcontractor's retention being held by the individual employer, whichever amount is greater.

6. If the individual employer fails to give written notice as required in this Section 50, he shall, until notice is received, assume liability for any violation of the terms and conditions of this Agreement at that particular jobsite or job yard, as may be determined by Section 51 (Grievance Procedure). If the subcontractor is signatory or otherwise bound to an Agreement with the Union, the individual employer shall be liable only for delinquencies as set forth in subsection 5a of this Section 50 for work on that jobsite or job yard. If the subcontractor is not in compliance with this Agreement then the individual employer shall be liable for any violation of this Agreement on that jobsite or job yard.

7. If the Union or the NCCRC should make demand in writing for exercise of this Section, the individual employer will require that any subcontractor of the individual employer specified in the demand will, if he has not already done so, post a surety bond in an amount not to exceed \$75,000.00 to cover payments of wages, Trust Fund contributions and fringe benefit payments specified in this Agreement. Failure of the individual employer to comply with this Section within two (2) days of demand will make the individual employer liable for the delinquencies of the subcontractor occurring on the individual employer's specific job. (The amount of the bonds specified in this subsection in no way affects the amounts specified for bonding purposes elsewhere in this Agreement.)

8. Notwithstanding any other provision of this Agreement or this Section 50, on any residential construction, all work covered by this Agreement shall be performed by the individual employer or prime carpentry contractor, and no such work shall be subcontracted to any other contractor except the installation of foundations, overhead garage doors, plastic sink taps, hardwood floors, roof and exterior wall shingles, traditional normal drywall, patio glass sliding doors, stairs, underlayment, base, acoustical ceilings, steel scaffolding, lathing and insulation. The individual employer or prime carpentry contractor shall provide all materials and the individual employer or prime carpentry contractor shall employ all employees covered by this Agreement who shall be shown on its payroll records except as provided herein. The remedies for default provided in this Section 50 shall apply directly to the individual employer or prime carpentry contractor. The individual employer or prime carpentry contractor shall be responsible for and shall direct-

ly employ employees covered by this Agreement to perform all work in connection with the construction of all walls and roof framing installation of all sub-flooring, all exterior sheathing, installation of all metal or wood sash, doors, installation of all trim, installation of all types of cabinets, wardrobes and sliding doors.

9. The individual employer has the primary obligation for performance of all conditions of this Agreement. This obligation cannot be relieved, evaded or diminished by subcontracting. Should the individual employer elect to subcontract, the individual employee shall continue to have such primary obligation. Said primary obligation shall be deemed conclusive evidence of the Union's majority status for the purpose of establishing the obligation of the individual employer to bargain collectively pursuant to Section 8(A) (5) of the National Labor Relations Act as amended with the Union upon expiration of this Agreement but for no other statute, rule, regulations or law.

10. The provisions of this Section may be enforced only through the grievance and arbitration provisions of this Agreement.

11. It is the intent of the parties to enforce the provisions of this Section only to the extent permitted by law.

12. Notwithstanding any provisions of this Agreement or any Memorandum Agreement to the contrary, the provisions of this Section shall not be enforced by strike action or any other form of job shutdown or work interference; provided, however, that the rights provided in Section 51 (Grievance Procedure) of this Agreement are retained to enforce primary obligations of any individual employer.

13. Payment by cash or second or multiple checks or combination thereof and the payment of excessive premium rates, excessive travel time, or bonuses shall be prima facie evidence of an attempt to violate the provisions of this Section. The foregoing shall not apply to an annual bonus paid to supervisors.

14. No subcontract shall be in compliance with this Section if the effect of such subcontract is to diminish, eliminate or circumvent the payment of wages and fringe benefits to employees covered by this Agreement.

Section 51 Grievance Procedure

Any dispute concerning any application or interpretations of this Agreement shall be subject to the following procedure:

1. In the event that a dispute arises on a job, it shall be first reported to the individual employer and/or the Field Representative of the appropriate Local Union or the NCCRC who shall then attempt to adjust said grievance or dispute at the jobsite level.

2. The grieving parties shall specify the date(s) of the alleged violation(s) and the provision(s) of the Agreement applicable to the dispute.

3. If said grievance or dispute is not satisfactorily adjusted by the appropriate Local Union or the NCCRC or otherwise authorized Union Representative and the individual employer or his representative within three (3) days after submission to the individual employer, the matter may be submitted by either party to a permanent Board of Adjustment created for the settlement of such disputes.

4. The Board of Adjustment shall be composed of one (1) mem

er named by the Union, one (1) member named by the Association and an Impartial Arbitrator. The parties shall select an alternate to the permanent neutral Arbitrator who shall serve only in the event the permanent neutral Arbitrator is unable to serve. At any point in the proceedings should the panel be unable to reach a majority vote the Arbitrator shall participate and his decision shall be final and binding.

5. In addition to any rule or procedure which the panel may adopt, the Board of Adjustment shall be governed by the following provisions:

(a) No briefs shall be submitted nor a transcript made of the hearing except by mutual agreement of the parties or by direction of the Arbitrator. Any transcript ordered by any party shall be at the expense of the party ordering the transcript.

(b) In the case of deadlock, the Arbitrator shall render his decision upon the conclusion of the case at the Board of Adjustment hearing, unless the time is extended by mutual agreement of the parties or at the request of the Arbitrator. The Arbitrator shall not render an expanded opinion in any case unless requested by the parties.

(c) The parties shall select and utilize a permanent Impartial Arbitrator who is willing to abide by the procedures set forth herein. By agreement of both parties, the Impartial Arbitrator may be changed or replaced.

(d) The Board of Adjustment or the Arbitrator may fashion an appropriate remedy to resolve the issue including, but not limited to, back pay, money damages, injunctive relief, audit, payment of wages and fringe benefits to persons damaged by the contract violations, interest or attorneys' fees.

(e) Any grievance involving an individual employer not a member of any of the signatory associations shall be submitted directly to the Arbitrator unless the individual employer agrees to submit the matter to the Board of Adjustment.

6. Disputes arising out of work assignment, which are governed by Section 16 (Jurisdictional Disputes), will not be heard at these panels.

7. The Board of Adjustment shall meet within forty-five (45) days on any item properly before the Board. Failure of either party to meet or to participate shall cause the Board or Arbitrator to hear and decide the matter on a default basis.

8. Decisions of the Board of Adjustment or an Impartial Arbitrator shall be within the scope and terms of this Agreement and shall be final and binding upon all parties hereto.

9. In the event an individual employer fails to comply with any such decisions, the Union may withdraw employees or strike the individual employer, and such action shall not be a violation of this Agreement so long as such noncompliance continues, provided, however, that the Union may not enforce the provisions of Section 50 (Subcontracting) by economic action or picketing.

10. The expenses of the Joint Adjustment Board and the Impartial Arbitrator, including the cost of a court reporter, shall be borne equally by the parties hereto.

11. No proceeding hereunder based on any dispute, complaint or grievance herein provided for, shall be recognized unless the grievance procedure steps outlined above have been followed. The Arbitrator or Board may for good cause, accept a late submission,

which shall then be decided by the Board of Adjustment.

12. The Board of Adjustment shall establish regular meeting dates and administer grievances filed in conjunction with this section as set forth in the rules and procedures, which may be amended from time to time by the parties.

13. A decision of the Board of Adjustment by majority vote, or the decision of a permanent Arbitrator shall be enforceable by a petition to confirm an arbitration award filed in the Superior Court of the City and County of San Francisco, State of California, or the United States District Court for the Northern District of California. Any party who fails or refuses to comply with a decision of a Board of Adjustment or an award of the Arbitrator, as the case may be, shall be responsible for reasonable attorneys' fees for the filing and trial of any petition to confirm and enforce said decision or award in addition to all other remedies available through law, unless the petition is denied.

14. All hearings of the Board of Adjustment shall be in the City and County of San Francisco, and/or County of Alameda, unless mutually agreed to move to another location.

15. Other than matters concerning discharge, no proceedings mentioned hereinabove on any dispute, complaint or grievance shall be recognized unless called to the attention of the Employer and the Union within thirty (30) days after the last date the alleged violation was committed.

16. On all cases relating to discharge or discipline, employees must file their grievances with the Local Union or the NCCRC within three (3) working days after the imposition of the discharge or discipline. Thereafter, the Local Union or the NCCRC must file its grievance with the Board of Adjustment within four (4) working days after the employee files his grievance. The Board shall meet within seven (7) working days following submission of the grievance. The Board of Adjustment or Arbitrator shall be free to sustain the discharge or to find discipline other than discharge to be appropriate and may order reinstatement with full or partial back pay as he or it deems appropriate provided there shall be no discrimination on the part of the individual employer against any employee for activities in behalf of or representation of the Union not interfering with the proper performance of his duties.

17. If failure of a Board of Adjustment to meet within one week (7 working days) is due to the unavailability of the Union, the wage payment and Trust Fund contribution liability shall be limited to the above seven (7) working days. If the Employer or individual employer, or Arbitrator is unavailable to meet, the wage payment and Trust Fund contribution liability shall be continuing.

IN WITNESS WHEREOF, the parties hereto have executed this document this 3rd day of June, 2003, in Oakland, California.

Such pre-apprenticeship program may be utilized by Employers under the following conditions:

On private residential projects covered and registered as per Appendix C, a pre-apprentice period is established as follows:

Such notice shall be given prior to commencing work. Failure to give such notice shall subject the successor contractor to any liability for any delinquent fringe benefits of the predecessor contractor through Section 51 (Grievance Procedure) in addition to any other claims which may arise because of such failure.

The employee may be required to present satisfactory proof that his absence was due to accident or illness.

Time lost as a result of an Industrial injury or Industrial accident recognized by Worker's Compensation, suffered during the course of employment, shall be counted as part of continuous employment. However, acceptance of employment elsewhere during such period shall interrupt continuous employ unless the employee has requested less strenuous work which the Employer is unable to provide.

(b) The parties agree and understand that for the store fixture, commercial cabinetry and architectural millwork, seniority shall apply only as follows:

1. The Employer may layoff and recall employees from the seniority pool based on the Employers need.

2. No new employee will be hired while any member of the seniority pool remains on layoff, except that new production workers may be hired when all such laid-off members of the seniority pool have been first offered the work in the production worker classification.

3. Recall rights extend for nine (9) months from the date of layoff.

4. No employee enters the seniority pool until sixty (60) continuous days from the date of hire.

Apprentices shall not attain seniority until they have been an apprentice for twelve (12) months of employment and meet the above requirements.

The seniority provision of the agreement, pertaining to lay-off and rehire, shall not apply during this twelve (12) month period.

5. Production workers shall not attain seniority.

Apprentices in the continuous employ of the employer shall attain seniority after their twelfth (12th) month of employment.

(c) Employees laid-off shall keep the Employer advised of their current telephone number and mail or telegraph address. Notice to report shall be given by mailing same to such address or by telegram to the employees outside the contract area and shall be deemed delivered on the day following sending same. All employees covered by this Agreement shall be subject to call and shall for-

felt seniority and/or recall rights if they fail to inform the employer, within two (2) working days after being notified to return, as to whether they will return to work or if thereafter they fail to return to work without good cause within five (5) days after being called or notified by the Employer; provided, that if any employee is away from town when called for work, the time reasonably required by such employee to return to work shall be added to the said five (5) day period. The Employer may hire temporary employees until recalled employees return to work.

(d) Whenever a vacancy occurs in a skilled job and there are at the time employees who have sufficient aptitude and experience to fill the job, such employees shall be entitled to fair trial to qualify for said job. In the event that such employee shall, in the opinion of the Employer, fail to qualify, he shall revert to his former job without prejudice.

(e) During a leave of absence granted under Section 14, seniority shall accrue for the first ninety (90) days in the same manner as though the employee was working. Where a leave of absence is more than ninety (90) days, seniority shall be frozen as of the ninetieth (90th) day unless otherwise extended by mutual agreement between the Local Union and the Employer.

Section 14

Leave of Absence

(a) The Employer may, upon written request, grant a leave of absence. Such written leave of absence shall not be considered a break in "continuous employ." A copy of such leave of absence shall be furnished to the Local Union.

(b) A leave of absence without pay for pregnant employees shall be in accordance with applicable Federal and State Laws.

Section 15

Grievance Procedure, Discharge and Retirement

(a) Effective July 1, 2004, the parties agree to utilize the grievance procedure contained in Section 51 (Grievance Procedure) of the Carpenters Master Agreement. This grievance procedure shall apply prospectively. As such, it shall apply only to matters or grievances which arise on or after July 1, 2004.

(b) The Employer shall not discriminate against any employee because of activities in, or on behalf of, any Local Union. Such Union activities shall not interfere with production.

(c) An Employee may be discharged or suspended for just cause, such as failure or refusal to perform work as directed; intoxication which shall be defined as any impairment of an employee's ability to properly perform his job resulting from consumption of alcohol or drugs, or any such consumption during working hours, dishonesty, or chronic absenteeism. Absenteeism shall not include employee time off for sickness. Grievances in connection with discharges or suspension shall be subject to the provisions of Section 51 of the Carpenters Master Agreement and employees may be reinstated with or without full or partial back pay if the Grievance

Committee or Arbitrator decides that grounds for discharge or suspension were not established. The Employer shall give written notice of suspension or discharge to the employee in person, or if absent, by mail and a copy of same shall be sent to the Union on the date the notice is served on the employee. The written notice shall state all the reasons for the discharge or suspension.

(d) The normal retirement age shall be in accordance with applicable Federal and State Laws.

(b) Any and all items not manufactured by the Employer shall be installed under the terms and conditions of the applicable Carpenters Master Agreement.

Regular employees of the Employer may perform work on the jobsite that is permissible under the terms of the Carpenters Master Agreement. Such regular employees who are assigned to such work shall apply for dispatch slips at the appropriate office of the appropriate Regional Council or Local Union and such dispatch slips shall be issued for such employees for jobsite work for the duration of their employment with such Employer. Such regular employees shall be subject to the hours in accordance with the terms and conditions of the Carpenters Master Agreement except for travel time, mileage and subsistence and other matters specifically provided for herein. The Employer shall hire temporary additional employees for work at the construction site as needed directly from the Union or the appropriate Regional Council in accordance with the terms and conditions of the Carpenters Master Agreement applicable to the geographical area of the assignment.

(c) If an employee leaves from the plant to go to the jobsite during his regular work hours and returns to the plant within the same regular work day he shall be paid for all travel time at the regular inside Millmen's rate and in addition, all mileage as required. If an employee leaves from his home to go to the jobsite or if any employee returns to his home from the jobsite, car mileage, when required and travel time, shall be paid between the jobsite and his home or between the jobsite and the plant site, whichever is the shorter distance, provided, however, that payment for car mileage or travel time shall not be required to or from the jobsite located less than twenty-five (25) miles distance from either his home or the plant (payment commences with the 26th mile for mileage and travel time.)

(d) Travel time outside the regular work day as defined in Sections 2 and 3 of this Agreement or the regular work week as defined in the Carpenters Master Agreement will be paid at the rate of time and one-half of the regular inside Millmen's rate and in addition all mileage as required. Travel time from job to job during the regular work day, as defined in Section 2 of this Agreement, will be paid at the appropriate straight-time rate as provided in paragraph A of this section.

(e) Car mileage shall be paid at the rate of twenty-nine cents (\$.29) per mile for the use of an employee's car when transportation is not furnished by the Employer.

(f) Jobsite work outside of Alameda, Contra Costa, Marin, San Francisco, San Mateo and Santa Clara Counties or jobsite work requiring overnight stay within said counties, shall be known as "out of town work" for employees working under the terms and conditions of this Agreement.

When "out of town work" is required, transportation shall be provided or the transportation costs shall be borne by the Employer. Adequate room and board must be provided for the individual employee or a minimum overnight subsistence of thirty dollars (\$30.00) per night shall be paid, whichever is greater.

(g) Special arrangements shall be made between the Employer and the employee prior to doing work on any jobsite work presenting unusual circumstances not adequately covered by this Agreement.

(h) Nothing herein shall be construed to require the terms of this Agreement to be applicable to construction carpenters employed by the Employer.

2. as a fringe reserve for the purpose of reimbursing employees for bereavement leave or jury duty pursuant to Section 7 (General Provisions) (E) and (F), Appendix E of the Carpenters Master Agreement for Northern California, provided such Employer has been a contributor to the Mill-Cabinet Industry Apprenticeship and Training/Employee Benefit Trust Fund.

These monies shall be allocated jointly by the Trustees and representatives of the local unions. The bargaining parties acknowledge that the Trustees of the Mill-Cabinet Apprenticeship and Training/Employee Benefit Trust Fund are responsible for the allocation of these funds.

(b) It is further agreed, that the remaining one cent (\$.01) per hour from the contribution rate of ten cents (\$.10) will be contributed to the National Labor-Management Committee for the Custom Woodworking Industry for all hours worked by employees covered by this agreement. The averaging of all hours worked during the preceding calendar year (January to December) will determine the contribution amount to be made each month from the Apprenticeship Training/Employee Benefit Trust Fund to the National Labor-Management Committee for the Custom Woodworking Industry (NLMCCWI), 101 Constitution Avenue NW, Washington, DC 20001.

By the execution of this Agreement, each individual Employer, the Employer, each individual local union and the Unions hereby agree to accept and be bound by the provisions of the Mill-Cabinet Industry Apprenticeship and Training/Employee Benefit Trust Agreement and the National Labor-Management Committee for the Custom Woodworking Industry Trust Agreement, as each is established and as each may be amended from time to time in accordance with their terms.

EXHIBIT**CARPENTERS 46 NORTHERN CALIFORNIA COUNTIES
MEMORANDUM AGREEMENT**

057600

It is hereby mutually understood and agreed by and between the undersigned individual employer or association and the Carpenters 46 Northern California Counties Conference Board, for and on behalf of the Regional Council (NCCRC) and all of its affiliated Local Unions in the 46 Northern California Counties, hereinafter referred to as "Union," that for and in consideration of services performed and to be performed by carpenters for the individual employer, the individual employer or association agrees to comply with all wages, hours, and working conditions set forth in the Carpenters Master Agreement for Northern California effective July 1, 2003 through June 30, 2008 (which Agreement is incorporated herein by reference and a copy of which has been delivered to me and receipt of which is hereby expressly acknowledged), which amends, modifies, supplements and renews each and every, all and singular, previous Carpenters Master Agreements or individual employer Memorandum Agreements in the construction industry in the 46 Northern California Counties, and any future modifications, changes, amendments, supplements, extensions or renewals of or to said Master Agreement which may be negotiated between the parties thereto for the term thereof. The Union has requested recognition as the Section 9(a) representative of the employees covered by this agreement and has demonstrated or offered to demonstrate through authorization cards that it has the support of the majority of the employees. The Employer has satisfied itself that the Union does in fact represent a majority of its employees and hereby recognizes the Union as the Section 9(a) representative of the employees.

The term "Master Agreement" referred to in this Memorandum Agreement shall be the Master Agreement referred to above or any other agreement designated in writing by the Union as the "Master Agreement" for a term or period subsequent to May 1, 1986 or any subsequent modifications, changes, amendments, supplements, extensions or renewals of or to said designated Master Agreement.

The individual employer by executing this Memorandum Agreement continues to be bound by each and every of the Memorandum Agreements previously signed by said individual employer, if any, for all work performed by said individual employer as described in said Master Agreement and as covered by said Master Agreement regardless of the name or style of doing business or method of organization of any individual employer entity including but not necessarily limited to any activity as a contractor, subcontractor, owner, developer or construction manager and specifically applies to any company, firm or corporation in the construction industry with which or to which the undersigned has any connection of any nature or kind whatsoever.

The individual employer agrees to pay all sums of money for each hour paid for or worked by employees performing work covered by said Master Agreement to each and every, all and singular, of the Trust Funds specified in said Master Agreement and to accept, assume, and be bound by, all of the obligations of any Trust Agreement, Plan or Rules, or any amendments, modifications or changes thereof made by the parties thereto, as are now or may hereafter be imposed upon any individual employer by or pursuant to any such Trust, Trust Fund or Plan as set forth in the Master Agreement or any applicable Trust Agreement.

The individual employer further agrees that he or it does irrevocably designate and appoint the employer members of said Trust Funds and Plans mentioned in the Master Agreement as his or its attorneys in fact for the selection, removal and substitution of Trustees or Board members as provided in the Trust Agreements or Plans as may be hereinafter provided by or pursuant to said Trust Agreements or Plans.

Notwithstanding any provision of the Master Agreement or this agreement, it is understood that the individual employer is required to give written notice to the Union at 265 Hegenberger Road, Suite 220, Oakland, California 94621-1480 of the name or names of any entity, person, firm or corporation engaged in the construction industry with which the undersigned becomes or is now connected and any change of name or style under which the undersigned will be or is engaged in the construction industry in the territory covered by said Master Agreement. Such written notice must be given no less than ten (10) days prior to the date of any such change of name, new corporation, change of corporate status, creation or formation of any entity, etc.

The Union agrees to perform all of the provisions of the agreement hereinabove referred to.

This agreement shall be binding upon the heirs, executors, administrators, successors, purchasers and assigns of the individual employer, including any name or style under which business is conducted with respect to work covered by this Agreement.

Notwithstanding any provision of the Master Agreement or this Agreement, the individual employer agrees that upon a showing by the Union or any of its affiliates that a majority of the individual employer's shop employees, if any, have designated the Union or any of its affiliates as their representative for collective bargaining purposes, the individual employer shall recognize the Union and/or its affiliates as the collective bargaining representative of its shop employees and shall forthwith comply with all wages, hours, terms and conditions of the then applicable Millmen's Master Agreement for the term thereof. Proof of such majority representation shall be established by the submission of authorization cards to a neutral third person who shall compare the signatures with appropriate employee records. The individual employer shall fully cooperate in such review upon demand by the Union or any of its affiliates. Except as set forth below the individual employer waives any right that he or it may have to terminate, abrogate, repudiate or cancel this Agreement during its term, or during the term of any future modifications, changes, amendments, supplements, extensions, or renewals of or to said Master Agreement, or to file or process any petition before the National Labor Relations Board seeking such termination, abrogation, repudiation or cancellation.

This Agreement shall remain in full force and effect until June 30th, 2008, and shall continue thereafter for the term of any future modifications, changes, amendments, supplements, extensions or renewals of or to said Master Agreement which may be negotiated between the parties thereto unless either party to this Memorandum Agreement gives written notice to the other of the desire to change or cancel not more than ninety (90) nor less than sixty (60) days prior to June 30, 2008, or June 30th of any year in which the Master Agreement may terminate. Neither this Agreement nor the Carpenters Master Agreement for Northern California, which is incorporated herein, may be changed or modified, in any way, without the written approval by the Chairman or Executive Director of the Union.

1. Based upon the evidence submitted, it is found that the Employer, Acoustic Tec (hereinafter referred to in this Decision and Award as "Employer"), is a party to and bound to the current Carpenters Master Agreement. The Carpenters Master Agreement specifically requires the Employer to participate in the grievance procedure and authorizes the Board of Adjustment or Arbitrator to hear and decide the matter on a default basis in the event of Employer non-participation.
2. The Arbitrator has considered the evidence pertaining to the merits of the grievance and finds that the grievance filed by the Northern California Carpenters Regional Council is meritorious and that the Regional Council is entitled to a remedy to resolve this matter.
3. Having found in favor of the Regional Council, the Arbitrator issues the following Award:

AWARD

5. The Employer shall forthwith submit to an audit of all of its books and records by representatives of the Northern California Carpenters Trust Funds from February 10, 2005 through date of audit entry in order to determine the amount of wages and fringe benefits due, if any, and to whom they may be due. 7. In the event that the Employer does not comply with the terms of this Award and if the Regional Council or Trust Funds files suit to confirm this Award, the Regional Council or Trust Funds shall be entitled to reasonable attorneys' fees and court costs incurred in enforcing this Award. **RE: Carpenters 46 Northern California Counties Conference Board
Grievance #07-035**

Dear Sir or Madam:

As the attorneys for the Carpenters 46 Northern California Counties Conference Board, we have been instructed to contact you with respect to your non-compliance of the Arbitrator's Award in the above captioned grievance. In addition to being ordered to submit to an audit of your books and records, you were assessed \$230,966.55 in unpaid fringe benefits shortages and liquidated damages along with \$300.00 for the cost of the proceedings, for a total amount due and owing of \$231,266.55. To date, you have failed to pay said sum.

Inasmuch as the collective bargaining agreement to which you are bound requires that you are responsible for such costs and full compliance with the Arbitrator's Award, we have been instructed to file suit to confirm the Award and your obligation to pay costs if you fail to pay the sum of \$231,266.55 within seven (7) days from the date of this letter. If suit is filed, you will be held responsible for additional court costs and attorneys' fees.

Please send the sum of \$231,266.55 forthwith to the Carpenters 46 Northern California Counties Conference Board at its offices located at 265 Hegenberger Road, Suite 220, Oakland, California 94621.

As noted, if you do not pay this sum, as ordered by the Arbitrator, within seven (7) days of the date of this letter, we shall file the appropriate action in court to compel your compliance with the grievance procedures of the collective bargaining agreement to which you are bound.

In addition, you were ordered to submit to an audit of all books and records in order to determine the amount of wages and fringe benefits due, if any, and to whom they may be due. You have not submitted to said audit and, therefore, we have been requested to advise you that in accordance with the provisions of the Carpenters Master Agreement, an audit will be conducted to determine that proper reporting has been made to the Carpenter Trust Funds. Section 21 of the Carpenters Master Agreement, states, in part, as follows:

"Each individual employer upon request of the Union, the Employer, or any Trust Fund specified in this Agreement, shall permit the Trust Fund Auditors to review any and all records relevant to the enforcement of the provisions of this Agreement and to enter upon the premises of such

If the individual employer cancels an audit appointment without appropriate two (2) hours notice to the auditor, the cost of such lost time by the auditor shall be borne by the individual employer."

"Any individual employer who refuses audit entry shall pay all the legal fees and costs necessary for compliance of audit entry."

Unless you notify the Fund Office that you will produce the records indicated below, and that such records will be produced promptly, and at a reasonable time so that arrangements for the audit can be made, it will be necessary for this office to file a civil action against you so as to obtain an injunction to compel production of the records, together with appropriate sanctions for your failure to comply with the Boards' request.
